

Samuel Giezendanner

Real Estate Valuer

Real Estate Economist

BSc Business Administration HSLU

In 2016, Samuel Giezendanner completed a Bachelor's degree in Business Administration with a focus on Real Estate at the Lucerne University of Applied Sciences and Arts.

After completing his studies, Samuel Giezendanner undertook a trainee program in Credit Risk Management at Credit Suisse (Switzerland) Ltd. He then joined the property valuation team, where he prepared property valuations for a variety of property types, primarily in the cantons of Zurich and Aargau.

From 2020 to 2021, Samuel Giezendanner worked at SBB Real Estate as a Land and Legal Acquirer. In this role, he was responsible for acquiring land and rights for the expansion of railway infrastructure and representing property owners in third-party construction projects.

Samuel Giezendanner has been working at Fahrländer Partner Raumentwicklung since July 2021.
